

## OMNITRONIC DJP-300 Digital amp, 2x150W

Digital monitor amplifier

Art.n.: 10451600

GTIN: 4026397246414

### Features :

- Extremely efficient due to SMPS technology
- Advantages in low weight and little space due to switch mode power supply instead of large and heavy transformers
- Switch mode power supply
- High efficiency, operation via safety power outlet
- Extremely wide frequency range covers the whole bandwidth
- Power supply with softstart
- High impulse stability
- Stable metal housing, light and compact
- Extremely compact fully digital power amplifier, e.g. for medium-sized monitor speakers or studio applications

### Logistica

EAN / GTIN: 4026397246414

Peso : 3,10 kg

Lunghezza : 0.34 m

Larghezza : 0.27 m

Altezza : 0.11 m

### Dati tecnici :

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Alimentazione elettrica:   | 115/230 V AC, 50/60 Hz                                   |
| Potenza totale installata: | 350,00 W                                                 |
| Potenza in uscita:         | 80 W RMS (8 Ohm)                                         |
| Intervallo di frequenza:   | 5 - 100 Hz                                               |
| Misure:                    | Larghezza: 21 cm<br>Profondità: 30 cm<br>Altezza: 4,5 cm |
| Peso:                      | 2,40 kg                                                  |

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Power output (RMS):        |                                                                   |
| Stereo 4 ohms              | 2 x 150 W                                                         |
| Stereo 8 ohms              | 2 x 80 W                                                          |
| Signal-to-noise ratio:     | >110 dB                                                           |
| Total harmonic distortion: | 0.01 %                                                            |
| Input connectors:          | 4 x RCA                                                           |
| Output connectors:         | 2 x pole terminal                                                 |
| Controls:                  | Power switch, input selector,<br>Gain/Balance/Treble/Bass control |
| Construction:              | Steel chassis                                                     |

### **Contenuto della confezione:**
