

## OMNITRONIC WM-2402 Wireless mic system

Digital 2-channel wireless microphone system, 2.4 GHz

Art.n.: 13072002

GTIN: 4026397462517

L'articolo non è più disponibile.

### Features :

- Wireless microphone system includes receiver unit and 2 hand-held microphones with integrated PLL transmitter
  - Digital transmission in the 2.4 GHz range provides for high resistance to interference and unique sound quality
  - 2 channels with separate level control
  - 16 frequencies (2,404-2,476 MHz) for each channel can be selected at the transmitter
  - 2 systems can be used simultaneously (corresponds to 4 microphone transmission paths)
  - 6.3 mm output for mixed signal
  - Supercardioid microphone cartridges
  - Incl. power unit and jack cable
  - License-free and approved in the EU
- microfono**
- Funzionamento a pila/batteria ricaricabile possibile

### Logistica

EAN / GTIN: 4026397462517

Peso : 1,45 kg

Lunghezza : 0.34 m

Larghezza : 0.28 m

Altezza : 0.07 m

### Dati tecnici :

Alimentazione elettrica: 100-240 V AC, 50/60 Hz

Potenza totale installata: 7,50 W

Intervallo di frequenza: 50 - 15000 Hz

Misure: Larghezza: 22 cm  
Profondità: 4,4 cm  
Altezza: 13,3 cm

|                       |                                                      |
|-----------------------|------------------------------------------------------|
| Pila:                 | 4 x 1.5 V AA Mignon LR06 alkaline manganese presente |
| Carrier frequency:    | 2404-2476 MHz, 16 channels                           |
| RF power output:      | 10 mW                                                |
| Coverage:             | 20 m (in buildings), 30 m (in the open air)          |
| THD:                  | <1 %                                                 |
| Dynamic range:        | 87 dB                                                |
| Microphone cartridge: | dynamic                                              |
| directivity:          | supercardioid                                        |
| Impedance:            | 600 ohms                                             |
| Audio output:         | 6.3 mm jack, unbal., 100 mV                          |
| Receiver:             | 100-240 V AC, 50/60 Hz                               |
|                       | via supplied power unit                              |
| Dimensions, weight    |                                                      |
| Receiver:             | 220 x 44 x 133 mm, 550 g                             |
| Microphone:           | 55 x 260 mm, 120 g                                   |

### Contenuto della confezione:

1 x microfono
