SOMMER CABLE MEGYU225-0015-GR Road-Adapter

Art.n.: 3030741E

GTIN: 4049371037952

Descrizione :

With our handy ROAD ADAPTERS you will spare yourself from time-consuming "soldering arias" and bricolage before the soundcheck or gig. Our ROAD ADAPTERS have a 15 cm (6") cable and are therefore extremely flexible, especially where rigid adapters will fail due to their installation depth. They fit into the narrowest of rack connections and almost any connection standard. We have surrounded the connection lead of our ROAD ADAPTERS with an unshrinked transparent shrink-on tube for you (except for the "free end" version) so that you can label your adapter as you please.
