
SOMMER CABLE DMX cable XLR 3pin 25m bu Hicon

Cavo dati di alta qualità

Art.n.: 3030746GGTIN: 4049371258012

Descrizione :

DMX cable by premium manufacturer Sommer Cable

These premade cables are the perfect choice for the transmission of the 110 ohms AES/EBU DMX512 data format.

Important note: the use of a standard microphone cable is not recommended due to data and information losses (caused by the skin effect). In the lighting domain data losses cause a total jam with signal transmissions or the control of scanner systems.

The very affordable price of this cable should make it easy to switch from a standard microphone cable to a proper AES/EBU cable. Our AES/EBU cable guarantees the error-free data transfer even over longer distances of up to 100 metres. We use the BINARY 234 AES/EBU MKII AES/EBU cable with 100 % shielding and the HICON XLR connectors.

Features :

- AES/EBU- and DMX-conformant, highly flexible
- Very good shielding through the use of copper spiral shielding and a fleece vaporized with aluminum
- Extremely robust with an especially strong jacket
- Only a little more expensive than a standard microphone cable
- For networking of scanners, lighting units, digital mixing boards, etc.
- For connection of digital audio amplifiers, DAT-recorders, etc.
- HICON
- Adatto per uso esterno
- Made in Germany

Logistica

EAN / GTIN: 4049371258012

Peso : 1,30 kg

Lunghezza : 0.28 m

Larghezza : 0.32 m

Altezza : 0.04 m

Dati tecnici :

Lunghezza cavo:	25 m
Collegamento A:	1 x XLR a 3 poli (M)
Collegamento B:	1 x XLR a 3 poli (F)
Uso del marchio:	HICON
Colore:	Blu
Peso:	1,28 kg

Contenuto della confezione:
