

DS-1000RGB (ShowNET)

Diode laser with analog color modulation

Art.n.: 51743250
GTIN: 7640144997304

DS-1000RGB (ShowNET)

Diode laser with analog color modulation

Art.n.: 51743250
GTIN: 7640144997304

Features :

- Suitable for both beginners and professional users
- Multiple preset laser patterns included
- Control via DMX and ILDA
- Integrated Scan Fail Safety
- Low-maintenance due to Sealed Housing Technology
- P-Con terminals for power linking of several devices
- Interlock in and output
- Improved keylock
- Il dispositivo è raffreddato tramite Raffreddamento a convezione passiva
- Controllabile via stand-alone; DMX; ILDA; Art-Net; controllo della musica via microfono
