

## EUROLITE TMH XB-230 Moving-Head Beam

High performance beam for 230 W discharge lamp

Art.n.: 51786820

GTIN: 4026397555974

**L'articolo non è più disponibile.**

### Features :

- Very narrow beam angle with 3°
- With electronic ballast
- Color wheel with 14 different dichroic color filters plus white
- Switchable color change (mode 1: only full colors, mode 2: half colors)
- Rainbow effect with adjustable speed
- 8-facet prism
- Frost-filter
- Gobo wheel with 17 static gobos plus open
- With gobo shake function
- Motorized focus
- Strobe effect with adjustable speed
- Random strobe effect
- Dimmer
- Exact positioning via 16 bit PAN/TILT movement resolution
- Automatic position correction
- Switch-mode power supply for operation between 100 and 240 volts
- Control board with graphic LC display and encoder for adjusting the DMX-starting address, PAN/TILT reverse, reset, lamp on/off, operating hours
- DMX-controlled operation or stand-alone operation with master/slave function
- For OSD 7 Reflector 230 W discharge lamp
- Power connection via Neutrik PowerCon socket and included power cable
- DMX-control via every standard DMX-controller
- Gobo
- Effetto Beam
- Il dispositivo è raffreddato tramite Ventola
- Controllabile via DMX; stand-alone

### Logistica

EAN / GTIN: 4026397555974

Peso : 21,60 kg

Lunghezza : 0.47 m

Larghezza : 0.43 m

Altezza : 0.62 m

- With a beam angle of 3°

## Dati tecnici :

|                                             |                                                           |
|---------------------------------------------|-----------------------------------------------------------|
| Alimentazione elettrica:                    | 100-240 V AC, 50/60 Hz                                    |
| Potenza totale installata:                  | 300 W                                                     |
| Tipo di lampada:                            | Lampada a scarica                                         |
| Attrezzature:                               | Gobo                                                      |
| Raffreddamento:                             | Ventola                                                   |
| Attivazione:                                | DMX; stand-alone                                          |
| Fixtures disponibili per:                   | LED PC-Control 512                                        |
| Angolazione del fascio di luce:             | 3°                                                        |
| Angolazione del fascio di luce (1/2 picco): | 3°                                                        |
| Colore della custodia:                      | Nero                                                      |
| Misure:                                     | Larghezza: 39,5 cm<br>Profondità: 32 cm<br>Altezza: 51 cm |
| Peso:                                       | 19,14 kg                                                  |
| DMX channels:                               | 16                                                        |
| DMX connection:                             | 5-pin and 3-pin XLR                                       |
| Flash-rate:                                 | 18 Hz                                                     |
| Color-wheel:                                | 14 dichroic filters plus open                             |
| Static gobo-wheel:                          | 17 gobos and open                                         |
| Maximum PAN-movement:                       | 540°                                                      |
| Maximum TILT-movement:                      | 250°                                                      |
| Beam angle:                                 | 3°                                                        |
| Dimensions (L x W x H):                     | 395 x 320 x 510 mm                                        |

## Contenuto della confezione:
