

EUROLITE Cablebrigde 2 Channels 1000x250mm

Rugged cable crossover with antislip yellow cover, maximum load 7500 kg

Art.n.: 80702920

GTIN: 4026397242829

Descrizione :

This crossover, made of heavy rubber for maximum stability, was produced to save the things that lie beneath it. Technically speaking, it protects cables during an event. The elements are dimensioned for two cable ways can be connected without any problems. So even longer distances can be saved from nasty kicks. At this point we shall not forget to mention, that the danger to flounder over a cable is minimized as well.
