

EUROLITE Cablebridge 2 Channels curve 35 degr.

Rugged cable crossover with antislip yellow cover, maximum load 7500 kg

Art.n.: 80702925

GTIN: 4026397303537

Descrizione :

With this solid, two channel cable crossover the requirements to do so are at best. Due to the bended form it is possible to preserve the cables in a curve with 35 degrees. The resistant rubber brings in a maximum of stability and safety and the signal colors serve as visual guideline and hopefully can prevent possible blunders. Of course, several curve elements can be linked and thus bigger angles realized.

Logistica

EAN / GTIN: 4026397303537
