

## EUROPALMS Nopal cactus, artificial plant, 75cm

Artificial succulent with young light green shoots

Art.n.: 82600068

GTIN: 4026397636277

### Descrizione :

Take a piece of holiday home with you.

The artificial decorative cactus from Europalms corresponds exactly to its natural model in its shape, color and many details. It is made of high-quality plastic. Among other things, the brown coloring of the older thorns with their felt as well as the fresh light green of the young shoots have been reproduced true to detail.

Due to its total height of 75cm, it is very versatile, whether to decorate your shop, restaurant or at your home on the windowsill.

Included in the delivery is a basic gardener's pot covered with small stones, which gives the plant a stable stand when placed in a planter.

### Features :

- The article is delivered pronto per il posizionamento
- Adatto per uso esterno

### Dati tecnici :

|                          |                                                                   |
