

1326-6A5)19738

A photograph of the internal components of a power supply unit. The main component is a large yellow transformer with the text "HCJ-U150D-1224 DS 2112" printed on it. To the left of the transformer is a large black electrolytic capacitor with "1000µF 16V" printed on it. To the right of the transformer is a smaller black electrolytic capacitor with "1000µF 16V" printed on it. There are also several other capacitors, including a large blue electrolytic capacitor and a smaller blue electrolytic capacitor. A green PCB is visible in the background, and various other electronic components are mounted on it. The unit is housed in a black plastic enclosure.
