

**LAVOCE DF10.101LS 1" Compression Driver, Ferrite Magnet**  
20 W AES, 8 ohms, 107 dB, 1500 - 18000 Hz

**Art. No.: 12602724**  
GTIN: 4026397703313

**Features:**

- For further information about this product, please refer to the Data Sheet under "Downloads"

**Technical specifications:**

|                  |                                                                                                                                      |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Power:           | Program: 40W<br>Rated: 20W AES                                                                                                       |
| Frequency range: | 1500 - 18000 Hz                                                                                                                      |
| Sensitivity:     | 107 dB                                                                                                                               |
| Impedance:       | 8 ohms                                                                                                                               |
