

SOMMER CABLE Jack cable 6.3 mono 2x 90° 0.3m bn Hicon

SOMMER CABLE XS8J-0030 IC-Spirit XS

Art. No.: 30227515

GTIN: 4049371087018

The article is no longer in our assortment.

Description:

SC-SPIRIT has a thick insulation between wires and shielding. This improves the capacitive values and ensures loss-free high rendition, even with longer cables. To avoid crackling and hum interference we use a special conductive carbon shield and copper braided shield. When soldering make sure that the carbon shield and the inner conductor do not touch. Your audience will be surprised at the sound of this cable!

Logistic

EAN / GTIN: 4049371087018

Weight: 0,08 kg

Length: 0.23 m

Width: 0.13 m

Height: 0.03 m

Features:

- High-quality instrument cable
- Jack plug height only 11.5 mm when plugged in
- Enormously powerful and clear sound image with bass, guitar and keyboard
- Dual shielding by Cu mesh screen and conductive carbon screen
- Low-loss transmission due to low capacity
- Very flexible and easy to wind due to the use of fine individual stranding
- Extremely durable and sturdy due to a special high-quality PVC jacket compound
- Strain relief and good protection against bending due to the thick PVC-jacket
- High quality guitar cable for studio and stage
- Unbalanced cable for keyboards, samplers, mixing desks etc.
- Connection for CD player, DVD player and DAT recorder
- HICON
- Made in Germany
