
SOMMER CABLE Instrument cable 100m bl The Spirit
SOMMER CABLE 300-0051 Spirit

Art. No.: 30300716GTIN: 4049371002097

The article is no longer in our assortment.

Description:

The SC-Spirit has a thick insulation between wire and shielding. This improves the capacitive values and ensures a loss-free treble reproduction even with longer cables. To avoid crackling and hum interference we use a special conductive carbon screen and a copper mesh screen. When soldering make sure that the carbon shield and the inner conductor do not touch. Your audience will be surprised at the sound of this cable!

Logistic

EAN / GTIN: 4049371002097

Weight: 6,00 kg

Length: 0.23 m

Width: 0.23 m

Height: 0.16 m

Features:

- High-quality instrument cable
- With Neutrik plugs from Liechtenstein
- Sommer Cable SC-SPIRIT cable from German production
- Incredibly punchy and clear sound with bass, guitar and keyboard due to our special litz stranding and a wire cross-section of 0.50 mm²
- Dual shielding by a combination of a copper mesh screen plus conductive carbon screen
- Low-loss transmission due to low capacitance
- Very flexible and easy to reel because of its fine single litz design
- Extremely durable and sturdy due to a special high-quality PVC jacket compound
- Strain relief and good sleeve support due to thick PVC jacket
- High-quality guitar cable for studio and stage
- Unbalanced cable for keyboards, samplers, mixing desks etc.
- Connection lead for CD/DVD player/recorder
- Made in Europe

Technical specifications:

Cable construction:	1 x 0,5 mm² instrument cable
Cable length:	100 m
Color:	Black
Weight:	5,95 kg
