

## LASERWORLD CS-8000RGB FX

Pure diode laser system

Art. No.: 51743229

GTIN: 7640144997465

**The article is no longer in our assortment.**

### Features:

- The device is cooled by cooling fan
- Control via stand-alone; sound to light via microphone; DMX; ILDA; master/slave function
- With mounting bracket
- Monochrome 4 digit 7-segment LED display
- For further information about this product, please refer to the Data Sheet under "Downloads"

#### Package contents

- 1 x laser, 1 x user manual, 1 x power cord, 2 x Interlock, 1 x key

### Logistic

EAN / GTIN: 7640144997465

Weight: 8,90 kg

Length: 0.45 m

Width: 0.32 m

Height: 0.25 m

### Technical specifications:

|                    |                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------|
| Power supply:      | 100-240 V AC, 50/60 Hz                                                                          |
| Power consumption: | 111 W                                                                                           |
| IP classification: | IP20                                                                                            |
| Protection class:  | Protection class I                                                                              |
| Power connection:  | Mains input via P-Con (blue), mounting version<br>power supply cord with safety plug (provided) |
| Power output:      | 1 x P-Con (gray), mounting version                                                              |
| Laser class:       | 4                                                                                               |
| Laser color:       | R/G/B                                                                                           |
| Laser module:      | Red (R) 1800 mW 638nm<br>Green (G) 1800 mW 520nm                                                |

|                    |                                                                              |
|--------------------|------------------------------------------------------------------------------|
|                    | Blue (B) 3700 mW 450nm                                                       |
| Cooling:           | Cooling fan                                                                  |
| Control:           | Stand-alone; sound to light via microphone; DMX; ILDA; master/slave function |
| Housing color:     | Black                                                                        |
| Attachment system: | Mounting bracket                                                             |
| Display type:      | Monochrome 4 digit 7-segment LED display                                     |
| Dimensions:        | Length: 28,5 cm<br>Width: 18 cm<br>Height: 19 cm                             |
| Weight:            | 7,80 kg                                                                      |
