

## LASERWORLD PL-5000RGB MK2

High power, full color laser with ShowNET network interface and DMX

Art. No.: 51743275

GTIN: 7640144997809

### Features:

- Integrated show programs
- Control via stand-alone; DMX; master/slave function; ILDA; Art-Net
- OLED display
- For further information about this product, please refer to the Data Sheet under "Downloads"

### Logistic

EAN / GTIN: 7640144997809

Weight: 22,55 kg

Length: 0.61 m

Width: 0.35 m

Height: 0.46 m

### Technical specifications:

|                    |                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------|
| Power supply:      | 100-240 V AC, 50/60 Hz                                                                          |
| Power consumption: | 150 W                                                                                           |
| IP classification: | IP20                                                                                            |
| Power connection:  | Mains input via P-Con (blue), mounting version<br>power supply cord with safety plug (provided) |
| Power output:      | 1 x P-Con (gray), mounting version                                                              |
| Laser class:       | 4                                                                                               |
| Laser color:       | R/G/B                                                                                           |
| Laser module:      | Red (R) 1200 mW 638nm<br>Green (G) 1700 mW 520nm<br>Blue (B) 3000 mW 450nm                      |
| DMX input:         | 1 x 3-pin XLR (M) mounting version                                                              |
| DMX output:        | 1 x 3-pin XLR (F) mounting version                                                              |

|                |                                                        |
|----------------|--------------------------------------------------------|
| Control:       | Stand-alone; DMX; master/slave function; ILDA; Art-Net |
| Housing color: | Black                                                  |
| Display type:  | OLED display                                           |
| Dimensions:    | Length: 32 cm<br>Width: 22 cm<br>Height: 18 cm         |
| Weight:        | 21.40 kg                                               |

**Scope of delivery:**

- 1 x laser
- 1 x user manual
- 1 x case
- 2 x key
- 1 x power cord
- 1 x Interlock
- 1 x bag
- 1 x network cable
