

## EUROLITE LED PST-10 QCL Scan Light

Spot with 10 W LED and narrow light beams in RGBW

Art. No.: 51916151

GTIN: 4026397571301

**The article is no longer in our assortment.**

### Features:

- Equipped with one QCL LED in the colors red, green, blue and white
- Extremely narrow beam angle to perfectly illuminate Mirror Balls, for example
- DMX-controlled operation or stand-alone operation with Master/Slave function
- Sound-controlled via built-in microphone
- Microphone-sensitivity adjustable
- Addressing and setting via control board with LED display and four operating buttons
- Additional controlling possibility via optional cable remote control
- Switch-mode power supply for operation between 100 and 240 volts
- Compact housing with mounting bracket and fixation screws
- Ready for connection via included IEC power cord with safety power plug
- 1 powerful LED 10 W high-power 4in1 QCL RGBW
- Beam effect
- The device is cooled by passive convection cooling
- Control via stand-alone; DMX; sound to light via microphone
- Preprogrammed in Light´J; LED PC-Control 512

### Logistic

EAN / GTIN: 4026397571301

Weight: 2,72 kg

Length: 0.32 m

Width: 0.22 m

Height: 0.21 m

### Technical specifications:

|               |                        |
|---------------|------------------------|
| Power supply: | 100-240 V AC, 50/60 Hz |
|---------------|------------------------|

|                    |      |
|--------------------|------|
| Power consumption: | 30 W |
|--------------------|------|

|                    |      |
|--------------------|------|
| IP classification: | IP20 |
|--------------------|------|

|                   |                                                                                                  |
|-------------------|--------------------------------------------------------------------------------------------------|
| Power connection: | Mains input via IEC connector (M) mounting version power supply cord with safety plug (provided) |
| Lamp type:        | LED lamp                                                                                         |
| LED type:         | 1 x 10 W high-power 4in1 QCL RGBW                                                                |
| Flash rate:       | 0 - 18 Hz                                                                                        |
| DMX channels:     | 10                                                                                               |
| DMX input:        | 1 x 3-pin XLR (M) mounting version                                                               |
| DMX output:       | 1 x 3-pin XLR (F) mounting version                                                               |
| Cooling:          | Passive convection cooling                                                                       |
| Control:          | Stand-alone; DMX; sound to light via microphone                                                  |
| Preprogrammed in: | Light´J; LED PC-Control 512                                                                      |
| Housing color:    | Black                                                                                            |
