

## EUROLITE DMX Superstrobe 2700

Classic strobe with 1500 W flash-tube and DMX control

Art. No.: 52202176

GTIN: 4026397616255

### Features:

- Elaborate reflector system
- Flash tube already installed
- Dimmer electronic; effect speed adjustable
- Strobe effect
- The device is cooled by passive convection cooling
- Control via stand-alone; DMX
- Fixtures available for LED PC-Control 512; Light Captain
- For application areas such as: Clubs/dancing school; stage; rental
- Very quiet working noise
- Application possibility: Suspended; on stand

### Logistic

EAN / GTIN: 4026397616255

Weight: 3,43 kg

Length: 0.52 m

Width: 0.24 m

Height: 0.15 m

### Technical specifications:

|                    |                                          |
|--------------------|------------------------------------------|
| Power supply:      | 230 V AC, 50 Hz                          |
| Power consumption: | 1500 W                                   |
| IP classification: | IP20                                     |
| Protection class:  | Protection class I                       |
| Power connection:  | Fixed power supply cord with safety plug |
| Lamp type:         | Strobe lamp                              |
| Color generation:  | Cold white (CW)                          |
| DMX channels:      | 2                                        |

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| DMX input:                       | 1 x 3-pin XLR (M) mounting version                                     |
| DMX output:                      | 1 x 3-pin XLR (F) mounting version                                     |
| Cooling:                         | Passive convection cooling                                             |
| Control:                         | Stand-alone; DMX                                                       |
| Fixtures available for:          | LED PC-Control 512; Light Captain                                      |
| Housing color:                   | Black matte                                                            |
| Material:                        | Metal                                                                  |
| Dimensions:                      | Width: 46 cm<br>Depth: 24 cm<br>Height: 14 cm                          |
| Weight:                          | 3.11 kg                                                                |
| Noise classification:            | Class 1 (very slight noise, suitable for noise-sensitive environments) |
| Diameter mounting holes:         | 3 x Ø12mm                                                              |
| Material:                        | Metal, 1.5 mm                                                          |
| Cable construction:              | 3 x 1 mm² H05VV-F                                                      |
| Cable length:                    | Approx. 1 m                                                            |
| Energy efficiency class (A - G): | G                                                                      |

### Scope of delivery:

1 x device  
1 x user manual
