## Girder Clamp 3000 kg black

Beam clamp for steel beams, maximum load WLL 3000 kg

**Art. No.: 58011090**  
GTIN: 4026397400267

### Features:

---

- Suitable as temporary installation point for steel beams (L-beams, I-beams)
- Quick and tool free installation of rigging points for spots, projectors, speaker-systems, screens, truss elements, motors, guide pulleys, chain hoists and decoration material
- Large flange range
- High carrying capacity
- Flexible use due to wide adjustment range
- Inexpensive attachment without drilling or welding
- Regularly tested at an accredited institute
- Safety instruction: Beam clamps are not suitable for lifting or transporting I-beams!
- LGA tested
