List price: 1307.81 €

incl. 19% VAT.

Description:

The Antari AF-5X is a professional special effects fan with a circulation of 3000 m³/h and DMX/RDM control functionality. Ideally suitable for fog, haze, faze and fazer machines. It has 3 optional wind speeds that can also be controlled manually. Besides, it is equipped with an LED display control panel. The W1 wireless remote control is optionally available. The AF-5X can be used in 2 operating positions (horizontal and 45 degrees vertical).

Features:

- 3 speed modes - from gentle to stormy
- Sturdy plastic housing with handle qualified for road use
- Control via wireless remote control (optional); stand-alone; DMX
- 3 digit 7-segment LED display

Package contents

- 1 x device, 1 x user manual
