

## OMNITRONIC MA-60P PA Mixing Amplifier

PA mixing amplifier with audio player, IR remote control and Bluetooth, 60 W RMS

Art. No.: 80709612

GTIN: 4026397703559

### Features:

- Stream music wirelessly from your mobile devices (e.g. smartphone, tablet) via Bluetooth
- SD card slot and USB port
- Folder navigation, repeat functions and random play
- 3 microphone inputs with separate level controls
- Mic 1 with phantom power and priority circuit
- Mic 2 and 3 switchable mic/line
- 2 line inputs with separate level controls
- 1 line output
- Treble and bass and master controls for the output signal
- 5-digit LED level meter
- Chime, switchable
- (19") 48.3 cm rack installation 2 U
- The device is cooled by cooling fan
- Control via IR remote control; Bluetooth
- For application areas such as: Installation; restaurants, bars and hotels; sports centres/gyms

### Logistic

EAN / GTIN: 4026397703559

Weight: 6,40 kg

Length: 0.53 m

Width: 0.44 m

Height: 0.18 m

### Technical specifications:

|                    |                                          |
|--------------------|------------------------------------------|
| Power supply:      | 230 V AC, 50 Hz                          |
| Power consumption: | 120 W                                    |
| Protection class:  | Protection class I                       |
| Output power:      | 60 W RMS                                 |
| Power connection:  | Fixed power supply cord with safety plug |

|                          |                                                                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Device fuse:             | 5 x 20 mm, T 1 A fuse replaceable                                                                                                                                                                            |
| Frequency range:         | 50 - 18000 Hz                                                                                                                                                                                                |
| S/N ratio:               | >75 dB microphone<br>>85 dB line                                                                                                                                                                             |
| THD:                     | <0.5 % at 1 kHz                                                                                                                                                                                              |
| Cooling:                 | Cooling fan                                                                                                                                                                                                  |
| Impedance:               | Public address systems 100V; 4-16 ohms; Public address systems 70V                                                                                                                                           |
| Control:                 | IR remote control; Bluetooth                                                                                                                                                                                 |
| Bluetooth device name:   | Bluetooth                                                                                                                                                                                                    |
| Audio player:            | USB + SD + Bluetooth                                                                                                                                                                                         |
| Housing color:           | Black                                                                                                                                                                                                        |
| Circuitry:               | Class AB                                                                                                                                                                                                     |
| Control elements:        | Power switch, Master control, level control per channel, tone control, audio player; phantom power switch                                                                                                    |
| Controls:                | Overload; short-circuit; limiter; overheat                                                                                                                                                                   |
| Status LED:              | Power, fault, clip                                                                                                                                                                                           |
| Connections:             | Input: microphone via 2 x 6.3 mm plug (unbal.)<br>Input: microphone via 1 x 3-pin XLR<br>Input: line via 3 x stereo RCA 0.3 V<br>Output: line via 1 x stereo RCA 0.3 V<br>Output: speaker via screw terminal |
| Equalizer:               | Master: 1 x 2-band tone control mono                                                                                                                                                                         |
| Music format:            | MP3                                                                                                                                                                                                          |
| Number of files:         | Max. 999                                                                                                                                                                                                     |

| Battery:                 | 1 x button cell 3.0 V CR2025 lithium manganese built-in                                                                                                                                                      |

## Scope of delivery:

1 x amplifier  
 1 x user manual  
 1 x remote control  
 1 x battery  
 2 x holder  
 4 x screw
