Description:

No matter which location you choose for your artificial yucca palm - it will look its best everywhere. This narrow version made by Europalms is completely made of PE. The slim plastic trunk already branches 6 times in the lower area. Rosettes of pointed, rigid leaves form the end of the trunks.

The artificial plant is supplied in a basic gardener's pot, which gives it a stable stand when placed in a planter. Thanks to the use of plastic material, the plant can also be placed in protected outdoor areas.

Features:

- Artificial trunk with branches
- The article is delivered ready to stand
- Suitable for outdoor use
- With greencolored lifelike leaves
