The article is no longer in our assortment.

Description:

The approx. 55 cm long artificial Allium branch of Europalms impresses with its umbel-like inflorescence, which sits on a narrow green flower stalk. Allium belongs to the amaryllis family and naturally has strap-shaped leaves. It is often also called ornamental garlic. The branches are available with flower heads in different colors and are easy to combine. The decorative branch is perfect in a large vase, as a table decoration or as part of a summer arrangement.

Features:

- Large erected umbel made of numerous small flowers
- Suitable for outdoor use
- approx. 1 purplecolored beautifully flowers
