OMNILUX®

R80 230V/75W E-27 UV

Creates atmosphere and saves electricity!

Art. No.: 89510005

GTIN: 4026397101836

Features:

- An indispensable means of decoration
- Countless number of application possibilities
- Very high light output
- Already existing a good number of years, the "black light effect" is still fascinating: white textiles and objects as well as fluorescent material brightly flash up in darkness!
- No ballast resistor necessary
- Dimmable
- Easy installation
