

## HDA-6.5 Amplifier

Amplificateur de puissance à 3 canaux 2 x 500 W + 900 W  
@ 4 ohms

**Réf. : 10452360**  
GTIN: 4026397245516

## HDA-6.5 Amplifier

Amplificateur de puissance à 3 canaux 2 x 500 W + 900 W  
@ 4 ohms

**Réf. : 10452360**  
GTIN: 4026397245516

### Caractéristiques:

---

- 2 x 300 W + 500 W @ 8 ohms
- 2 x 500 W + 900 W @ 4 ohms
- Low Cut switch on the rear panel
- Rotary control for adjusting the upper crossover frequency (Hi Cut) of the subwoofer
- 3 gain controls
- All operation modes controllable via LEDs, can be switched off
- Signal inputs via XLR female or terminal block
- Speaker connection via terminal block or speaker jack
- Many protection circuits for optimized equipment protection
- Forced fan cooling
- Very rugged housing
- Rack installation
