Description:

All-round LED bar!

LED bars become more and more popular - with good reason. This sample for example is equipped with an unbelievable 648 light emitting diodes, that are able to perform much more than simply to come on and to go out. The rapid color changes and the strobe effect are especially impressing. Normally the units can be perfectly installed in a small club, where the roof is not that high. Here the advantages of the LED-technique are really prominent - notably the minimal heat emission. All-round qualities of the bar can be discovered, when several bars are connected. The so caused matrix effects are somewhat impressing. In addition, the back of stage walls can be colored stylishly. A colorful spectacle.

Caractéristiques:

- DMX-controlled operation or stand-alone operation with Master/Slave function
- DMX control via every standard DMX controller
- Sound-controlled via built-in microphone
- 8 LED segments independently controllable
- Programmable color-change speed, strobe effect and fading time
- Large LCD display and encoder wheel for easy programming
- 8 built-in programs
- Ideal for stages or video productions
- Mounting bracket for installation on a truss system included
- Compact housing and an appealing design
- Ready for connection with safety-plug
- Particularly bright illuminating power of the 5 mm LEDs
- 648 LEDs (81 LEDs x 8 Groups)

Logistique

EAN / GTIN: 4026397253320

Poids: 5,40 kg

Longueur: 0.86 m

Largeur: 0.18 m

Hauteur: 0.19 m

- Advantages of LED technology: long life, low power consumption, minimal heat emission, defacto maintenance free with brilliant light radiation

Données techniques:

Alimentation électrique:	230 V AC, 50 Hz
Puissance totale de raccordement:	50,00 W
Canaux DMX:	3
Dimension:	Longueur : 82 cm Profondeur : 7,5 cm Hauteur : 12 cm
Poids:	4,70 kg
Beam angle:	25°
LED number:	648
DMX channels:	48
DMX connection:	3-pin XLR
Sound-control:	via built-in microphone
Dimensions (L x W x H):	820 x 120 x 75 mm
Produit spécial:	Non destiné à l'éclairage de la pièce dans les ménages
Utilisation:	Éclairage pour effets de spectacle
