L'article n'est plus disponible.

Description:

The EUROLITE DMX LED Operator 2 is a DMX controller especially designed for the EUROLITE LED-spots and LED-effects with 6 DMX-channels. This controller features pre-programmed presets and colors, which can easily be displayed by pressing one button. Save your precious time for programming the individual DMX-channels in order to display this color or that color. Furthermore, you can control one smoke-machine with 2 DMX-channels by pressing a button.
