

EUROLITE LED H2O Water Effect IR

Effetto acqua compatto con miscela di colori RGB e telecomando IR

Art.n.: 51918701

GTIN: 4026397445077

Descrizione :

This professional LED effect light by Eurolite brings RGB colors in every window display, party room or trade fair! Light up the room in any color you like to impress your audience.

The H2O Water Effect is operated via the supplied remote control which is not bigger than a credit card and fits even in the smallest pocket. You wish to illuminate a larger area? No problem! Simply link multiple spots via the supplied connection cable to create impressive light effects.

For a permanent installation you can simply use the pre-punched hole on the bracket of the fixture. As the pin spot is delivered ready to use, all you have to do is install it and switch it on - plug and power cord are included. Once you plugged in the H2O, you can use preset programs like slowly fading colors, rapid color changes, strobe effects or constant light in a single color. Brightness can be manually adjusted as well. It's entirely up to you to make the most of your event!

Features :

- Built-in effect wheel offers a lovely water effect with RGB color mix
- For illuminating mirror balls, as decoration for display windows and as party room decoration
- Control via IR remote
- Infrared-remote control in credit card format included in delivery
